Scholarships for the Osiris Google Career Certificates (GCC) are now available, and Osiris Organization is excited to help bring these scholarships through a self-paced pilot environment to the Twin Cities communities.

The Osiris GCC program can help you get on the fast track to a competitively paid job in a high-growth field. **You don't need relevant experience or a degree to complete this flexible, online job training.** Just put the skills, passion, and ambition you already have to work.

- **Explore what the program has to offer** at grow.google/certificates**.** Learn more about how the Google Career Certificates work to put you on the path to in-demand jobs.
- **The Google Career Certificates** offer a recommendation from the American Council on Education (ACE®) of up to 15 college credits —to support learners as they progress on their education journey and are accepted at outstanding institutions like Purdue University Global, Northeastern University, and the University of North Texas.
    - Learners can earn a recommendation of 15 college credits for completing the IT Support Certificate, the equivalent of 5 college courses at the bachelor's degree level (ACE Link).
    - Learners can earn a recommendation of 9 college credits for completing the Digital Marketing & E-commerce Certificate, the equivalent of 3 college courses at the bachelor's degree level (ACE Link).
- **Apply for a scholarship on our website:** OsirisOrganization.org/google-career-certificates. Learn how you can earn a Google Career Certificate for free through the Osiris GCC Scholarship Program. **Application submissions are due by November 15th.**
  (minimum age - 13 yrs; recommended age - 16 yrs or older)
